##### New Awards

In an effort to acknowledge our students for their successes, King's View Academy's staff has implemented two new programs:

**Student of the Month** acknowledges students who have shown an exemplary attitude toward their classmates and staff, achieved goals they have set, or shown great improvement in effort.

**Student Biography Board** focuses on two students a month with a short biography which includes where they are from, their interests and hobbies,

any special achievements, acknowledgments or awards received, as well as plans for the future.

The honor of **Student of the Month** for January 2010, is Abtin Parnia, grade 12. Abtin comes to us from Iran and is currently completing his grade 11 & 12 requirements to graduate this June. His hard work and dedication to accomplishing such a heavy load is what has earned him our first Student of the Month.
