## WHAT'S NEW

### CPR And First Aid Course

March 28th, Saturday from 8:30-3:30 St. John Ambulance will be at KVA to conduct a CPR and First Aid Course. It is free to students, and several staff will also take part. Certificates are presented at the conclusion of the course.

### Kelly Barker

Ms. Barker is on staff at KVA as an intern from MSVU. She has been working with Mr. Parkhill as she is receiving her certification in social studies. Ms. Barker also has certification in art, and it is due to her coordination efforts that we were able to present the Art Fair where math, science, English and social studies integrated their curriculum using art as the common theme. Students at each grade level presented their unified projects. She is also working with the Foundation students and providing resource activities for the KVA student body. On behalf of all the staff we welcome her to the KVA Family.

### Bring A Friend To School

March 27, Friday, is Bring A Friend to School Day. If you have a friend who might want to come and visit for the day, please let us know a week prior.

### Valentine Tea

A special thanks to all who took part in the Valentine Tea and especially to Mrs. MacLeod and Annette Payne. It was very successful and enjoyable. We are all looking forward to the next one.

### "Spirit Of Love"

THANK YOU for ALL of your help. It was because of you that the evening was so successful. A personal thank you to Suzanne Mensing for coordinating the evening event and

Diane Mitchell, head cook. Everyone who attended had glowing remarks especially our "grandmother" guests. They particularly impressed with our students and the servers who did an outstanding job, as well as how 'sane' and joyous the event was. The fact that all had a good time was an important ingredient for having people return. Any auction items that did not make it to the auction tables have been logged, and will be put out for the Spring Performance.
